HISTORY

This is our 36th year of camp! We have successfully trained many professionals, college and high school players and all levels of ball players to be great for Jesus Christ! Over the years many have become All-Americans, All-Conference, or have led their team in scoring, rebounds, steals or assists. We will train you to be a great leader and basketball player with a high level of physical skills as well as to be tough spiritually, mentally and emotionally. We want your success to last and for you to make a difference in your home and in your community.
